

# AVDIY

INSTALLED BY YOU

- AVDIY is a new concept developed by Smart Home Supplies to empower you to install professional, quality Audio/Video equipment in your home.
- AVDIY provides you with the very best equipment, value and technical advice to carry out your project.
- We have a handpicked selection of easy to fit DIY products based on their performance and installation characteristics.
- We can also provide a step by step, easy to follow installation PDF for each product.\*
- Go to [www.avdiy.co.uk](http://www.avdiy.co.uk) and click on the AVDIY section to view the current range of products.

**We recommend that any connection and testing of mains 230V should be carried out by a qualified electrician.**

\* - PDF DIY Documents are only available once you have purchased an item from Smart Home Supplies. To obtain these PDF's you must also register your details on Smart Home Supplies website. [www.smarthomesupplies.com](http://www.smarthomesupplies.com)
